RE: CORONAVIRUS (COVID-19) UPDATE

To Our Valued Customers:

As the situation relating to the novel coronavirus (COVID-19) continues to develop, Parex USA, Inc. (Parex USA) would like to provide an update.

We want you to know that the health of our employees, customers, partners, stakeholders and all of their families is always our top priority. To ensure everyone's continued well-being, Parex USA is following the guidelines of the United States Centers for Disease Control and Prevention (CDC) and World Health Organization (WHO). Additional measures will be taken as needed as we continue to follow this situation.

In addition, Parex USA is very fortunate that a vast majority of our raw materials are sourced or available in North America. At this time, we do not anticipate significant delays or shortages in our current supply of raw materials and finished products as a result of COVID-19. The procurement, supply chain, and operations teams of Parex USA are working diligently to remain proactive and thorough in our efforts to continue servicing your needs. In addition, Parex USA sales teams are fully-focused on continuing to provide the world-class levels of service you expect from Parex USA.

Parex USA will continue to provide updates relating to COVID-19. If you have any questions, please do not hesitate to contact your Parex USA sales representative or account manager, or visit our website at www.parexusa.com.
